with no annual fee.

SWISS BANKERS

The prepaid card for travel.

Travel from Swiss Bankers is the ideal card for travelling. Top up as needed, and use it like a credit card.

Secure and convenient payment worldwide

The prepaid card from Mastercard is accepted in over 70 million outlets worldwide and can be used in all online shops. It can also be used to withdraw cash from ATMs in Switzerland and abroad.

Available immediately to everyone

Travel is available to everyone at nearly all banks and SBB travel centres, without a credit check – even young people aged 16 and over. Choose between Swiss francs, euros and US dollars for the card's currency.

High security – no connected account

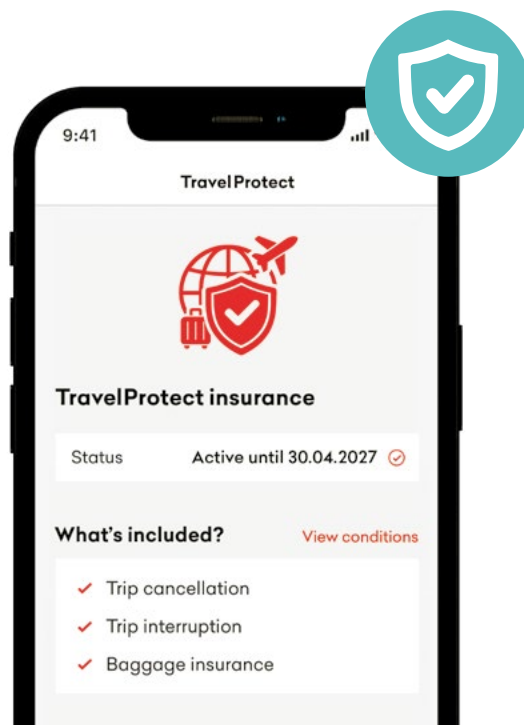

In the event of loss or theft, the card with its credit balance will be replaced by courier service worldwide at no charge. Cards deposited digitally in the app can be reactivated.

In the event of attempted fraud, your accounts remain protected at all times because your card is not connected to them.

Travel insurance included

When you top up by CHF/EUR/USD 1,000 or more, you can activate the TravelProtect package free of charge for 12 months.

TravelProtect includes trip cancellation, trip interruption and luggage insurance – ideal for customers who value flexibility and spontaneity when using their Travel card to explore the world.
