SWISS BANKERS

The secure prepaid card.

Life from Swiss Bankers is the ideal card for every day. Top up as needed, and use it like a credit card.

Secure and convenient payment worldwide

The prepaid card from Mastercard is accepted in over 70 million outlets worldwide and can be used in all online shops. It can also be used to withdraw cash from ATMs in Switzerland and abroad.

Available immediately to everyone

Life is available to everyone at nearly all banks and SBB travel centres, without a credit check – even young people aged 16 and over.

High security – no connected account

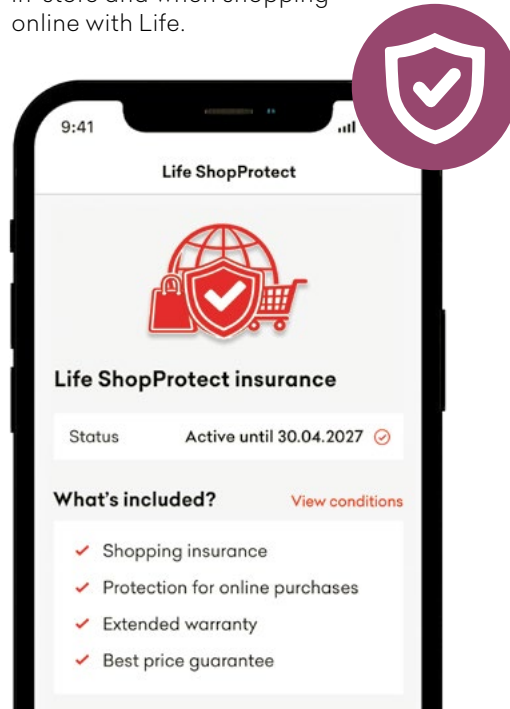

In the event of loss or theft, the card and its credit balance will be replaced by courier service worldwide. Cards deposited digitally in the app can be reactivated.

In the event of attempted fraud, your accounts remain protected at all times because your card is not connected to them.

Shopping insurance included

When you top up by CHF 1,000 or more, you can activate the Life ShopProtect shopping insurance package free of charge for 12 months.

Life ShopProtect is designed for shopping and e-commerce and includes purchase insurance, online purchase protection, extended warranty and a best-price guarantee, meaning customers enjoy greater cover both in-store and when shopping online with Life.

Top up your card with credit at any time

You can add up to CHF 10,000 to your card per top-up and up to CHF 100,000 per year at outlets, on the Swiss Bankers app, using e-banking or via other payment methods.
